## EDUCATION

**Ringling College of Art and Design** BFA, General Illustration | Minor in Creative Writing | GPA 3.7 | Graduating 2026

- Academics in illustration basics, traditional drawing, painting, editorial, literature studies, history, and typography/graphic design.

**E.C. Glass** Highschool diploma | GPA 3.7 | June 2022

- First place in a local creative writing competition.
- Gold Medal in the 2018 Le Grand Concours French National Exam
- Runner-Up in E.C. Glass Artist table

**Burren College of Art | Ballyvaughan, Ireland** | 4-week study program in the ecology of the land and sustainability through art | July 2024 | Final Grades: A..B

- Studied the use and maintenance of different artistic mediums using environmentally conscious materials in art, and their impact on the environment.
- Researched and put together a presentation on the conservation of water and rock in the Burren, took multiple courses on the geography and history of Ireland, visited multiple historical locations, kept a plein-air sketchbook/nature journal, and researched and interviewed locals about their connection to art.
- Ideated, created, and curated a series of artworks that combined acquired knowledge of the Burren to present cohesive paintings in a gallery, managed deadlines while juggling courses maintained an organizational system, and researched culture and folklore.

## EXPERIENCE

**Tiny Docs** - Social Media Illustrator | February 2023

- Illustrated five pieces advertising the company for social media, drew pre-existing characters with themes given, worked to push the artwork while maintaining the characters in-model, and developed graphics that appeal to the largely younger audience.
- Created illustrations that fit the company's visual style while adding a personal twist to help them stand out. Graphics included artwork for St. Patrick's Day, Springtime, Healthy Eating and Habits, and Artwork Submission encouragement.
